

## JUNIOR YEARLY MEETING INVITES YOUR PARTICIPATION IN THEIR PYM SERVICE PROJECT

*F*ollowing in a long tradition of Quakers' concerns for those in prison, the teens will do a service project with The Prison Library Project at PYM 2010. This nonprofit organization fulfills inmates' requests for books. The most frequently requested book is a dictionary. Bibles are also requested.

*T*he youth will read letters from prisoners and mark the book requested, write labels, package books, and box up books for the organization's used bookstore which helps it raise money.

*YOU* can make a difference in a person's life! It will cost you little or no money and very little time. Bring or send a new paperback dictionary, Bible, or used books to PYM. If no one in your Meeting is attending PYM you can mail books to:

The Prison Library Project  
586 West First Street  
Claremont, CA 91711

Their phone is (909) 626-3066.

*Y*ou can also help by printing out this flyer to announce the project at your Meeting. Flyer can be downloaded using this link;
