

Description of What It Is Like to Be a Member of PYM's Unity with Nature Committee
Updated June 2017

To fulfill its goals and Charter, Pacific Yearly Meeting's Unity with Nature Committee [UwN] has a one to two day retreat usually in the Fall, preferably in Nature, to plan its year. PYM pays for travel expenses to the 1-2 day retreat. Hosts arrange hospitality. Meals are shared. UwN has 4 to 9 conference calls a year of 1-2 hours in length, usually 1.5 hours, usually on a weekday evening, paid for by PYM to further its goals and plans. Members are expected to attend these meetings and calls in order to help discern and come to unity on a variety of issues related to the goals and Charter of Unity with Nature.

Members are expected to come to at least part of PYM annual session in the summer.

Besides whatever special educational projects may be on offer, the committee has ongoing smaller tasks such as fund raising for the mini grant program, the mini grant program itself, doing the minutes, and updating the 'Liaison with Unity with Nature' program's Mailing list. At a minimum, members are expected to take on one of the small tasks for the year as well as help communicate with Monthly Meetings.

Members are very welcome to bring their leadings for new special projects which they are willing to work on and that further the goals and Charter of Unity with Nature.
