

INSTRUCTIONS FOR REGISTRATION
PACIFIC YEARLY MEETING • 66th ANNUAL SESSION • WALKER CREEK RANCH • AUGUST 13-18, 2012

Complete a line for each person attending PYM. If you do not wish individual phone and email numbers included in the Attenders List, leave these blank. The first-named person should be the one to whom we send registration confirmation and advance documents. Age is needed both for program and facility-use planning. We will not intentionally reveal it.

Indicate small group choices. Worship-Sharing (WS) groups meet daily for deep sharing. For many, this is the most meaningful part of PYM. You may choose WS in the morning (8-9:30), afternoon (1:30-3), or both. Partners may choose couples WS. Drop-in WS is available for those attending less than the entire week. Morning groups are held at the same time as Bible study and afternoon, at the same time as Transformative Quakers. In choosing a week-long WS you have a daily commitment to that group and won't be able to attend the other activity in that same AM or PM period. You are encouraged to read [Annual Session 2012 Schedule: An Experiment](#) and review the [Annual Session 2012 Schedule](#) to help inform your WS choices.

Enter days of attendance. A full week is Monday afternoon through Saturday noon. If you are staying overnight, you may register for the full week or for any number of consecutive nights. Note any special needs. Explain on the form or contact us directly. Indicate whether you prefer a female, male, or family room/dorm.

Choose housing. There are four types: camping, large dorms (about 20 bunks per room), small dorms (3 to 5 beds per room), and semi-private (2-3 beds per room with nearby accessible baths). Bathrooms are in adjacent buildings for those camping and in large dorms. In small dorms, they are in the same building but sometimes on different floors. Semi-private room availability is limited, and priority will be given to those with special needs. Parents may opt (at the same cost) to have older teens stay with the family or in separate, supervised girls and boys' sleeping areas. See the advice about making this decision. Fees do not include sheets, towels, pillows, or blankets, a set of which may be rented for \$25 per week, or you may bring your own. Campers are expected to provide their own gear. Registration is required for commuters and includes lunch, except on Monday. Supper is an additional cost. Friends attending only Meeting for Memorials need not register. Lunch is not provided for this option.

Enter fees. To receive the early discount, the registration form and full payment (less expected scholarship assistance and/or stipends) must be postmarked on or before June 25, 2012. Those postmarked after July 13, 2012, will be assessed a late fee. We cannot guarantee registrations after this date as we must give attendance counts to the facility. Consider adding a donation to help Friends who cannot otherwise afford to attend. Enter reductions, either anticipated scholarships and/or stipends from the Children's Program or JYM. Scholarships assistance is available, and you are encouraged to apply. See separate instructions for applying,

Mail the completed registration form, Children's Program and JYM documents, and your check or money order, payable to Pacific Yearly Meeting to: PYM Registration, c/o Berkeley Friends Meeting, 2151 Vine Street, Berkeley, CA, 94709-1533. You may enclose as little as 25% of the total (less scholarships and stipends) and pay the balance upon arrival, but it simplifies registration if you pay all fees in advance. You may email the form to registrar [at] pacificyearlymeeting [dot] org, but registration will not be complete until a mailed check and signed forms for minors are received. We are not accepting credit cards. If you live outside the U.S. and cannot send a check, let us know. Full refunds are available until July 13, 2012. Cancellations after that date will be charged \$100. We will send registration confirmation and advance documents by email to the first name on the list of attenders. If you do not have email, you may request the documents be mailed.

Explain if transportation is needed from airport, train, or bus. Walker Creek is in a beautiful, but isolated, area near the coast. Weather varies. Bring warm bedding, and a jacket. Start with a full tank of gas. There are no stores or restaurants nearby. Plan to eat lunch before arriving on Monday. No pets are allowed. Trained service animals, identified as such, are welcome. If you bring other animals, you will be asked to leave. For questions, contact the Berkeley Meeting registration team, c/o Joe Magruder or Margaret Mossman registrar [at] pacificyearlymeeting [dot] org
