

2012 Epistle from the Pre-School group

These are some of the things we liked:

- Making play dough - we used stamps that were sea creatures and the play dough was blue.
- Singing songs.
- Going to the garden – we looked at carrots and worms and we tasted some herbs.
- Painting with our hands.
- Playing with the shaving cream – it looked like whipped cream and it felt like sticky stuff.
- Blowing bubbles an spraying water and making holes in the ground.
- Dressing up in costumes.
- Sleeping.
- Visiting the goats and the sheeps and we saw deer.
- We saw a yellow jacket hive – we stepped over it an walked this was (hand motion – zigzag).
- Singing with the big kids and we read “One Monster After Another”. We liked it.
- Drinking juice and water, eating Graham Crackers, fruit and cheese.
