

To Clerks, PYM Reps, and Scholarship Applicants of Monthly Meetings/Worship Groups
of Pacific Yearly Meeting (PYM)

Re: PYM Scholarship Fund, 2013

Please duplicate and share with your Meeting/Worship group.

The Annual Session for PYM will be held at Mount Madonna Center July 29- August 3, 2013.
PYM Ministry & Oversight Committee invites applications for scholarships to attend.

Here's what each prospective applicant needs to do:

1. Send registration form to registrars; be sure to write amount of scholarship assistance applied for.
For Early Bird discount, mail by May 21 & enclose full payment minus expected scholarship amount.
Regular Registration must be postmarked by July 1 to avoid a late fee and to ensure a place.
2. Fill out the Scholarship Application Form and submit to your local Monthly Meeting by June 2.
3. You state how much you think you can pay yourself, and the Monthly Meeting decides how much they can contribute from their designated funds. Then, if the total is still not covered, your Monthly Meeting requests a grant for you from PYM Scholarship Fund.

Please note that each application is to come through a Monthly Meeting.

The Scholarship Fund is intended as a supplement to what individual Friends and their Monthly Meetings can provide. These funds are limited: We expect that your Monthly Meeting will provide at least half of the funds needed.

Your scholarship application and your registration form are processed separately: Both must be completed and submitted by the deadlines.

For those who have no Monthly Meeting affiliation or have other special circumstances, please mail the application directly to Gary Wolff - or, if you are participating in Young Adult Friends, to Mark Runyan - along with an explanation of your situation.

Scholarships are on a first-come, first-served basis. We would like to help you attend, but if you delay we may not be able to help! We welcome your participation in PYM and look forward to seeing you there.

Feel free to email if you have questions.

Sincerely,

Gary Wolff, PYM Scholarship
