

Arrangements Clerks Report to Representative Committee
Orange Grove Monthly Meeting, Pasadena, CA
March 1, 2014

The Arrangements Clerks, Marilee Eusebio and Don Bean, are happy to return to Walker Creek Ranch for several reasons. First, we have been there before and know the territory. Second, we will be the only group on campus. Three, the staff there knows us and looks forward to our visit.

On the downside, there is no cell phone service - perhaps that's an upside! WiFi, yes, cell phone, no.

We will work closely with the Registrars, YAFs, JYM, and the Children's Program to provide the best possible spaces for them.

We need some staffing help: a Transportation Coordinator, a Special Diet Coordinator and a Special Needs Coordinator.

The Transportation Coordinator will help those of us who have trouble navigating the websites for public transportation, prepare a system for connecting riders with drivers and maintain a Transportation Board on site for people to connect riders with drivers, especially useful for the day we all leave.

The Special Diet Coordinator will be the liaison between the kitchen and those with limited diets, and the Special Needs Coordinator will help those folks through the week as needed.

We are excited and energized to reconnect with Friends during the Annual Session.

In peace,
Arrangements Clerks
Marilee Eusebio & Don Bean
