

Report from the Statistical Co-Clerks

To Pacific Yearly Meeting Representative Committee, March 5, 2016

As PYM Annual Session is almost a month earlier this year than previous years, the Statistical Co-Clerks will need this year's membership change information from each Meeting a month earlier, also.

The new due date for your Meeting's membership change information is May 12.

This earlier date does not line up with the end of the Statistical Year of May 31. Therefore, any *additional* changes in membership between May 12 and May 31 can be called in to one of us.

Details will be provided in the mailings sent to your Meeting's recording or statistical clerk by April 8th, which will give them up to a month to gather and send the requested information, with extreme gratitude to all Friends who respond early.

Please know that Lee Knutsen's term will be up after this year's Annual Session, and anyone who would like to be considered for Statistical Co-Clerk with Don Bean (3-year term beginning 2016/17) should notify the PYM Nominating Committee, either by following this link to the "Pink Sheet" on the PYM website:

<http://www.pacificyearlymeeting.org/surveys/nominating-committee-pink-sheet/>

or anyone here today can contact a member of Nominating Committee personally.

Thank you,

Lee Knutsen lknutsen@nexialists.net
