There were 11 transfers in, and 16 transfers out, more from outside PYM than internal.

Within the past 10 years, PYM membership was at its highest, 1,462 members, in 2009. The Overall Ten-year Loss is 15.03%. This year is the lowest for this 10 year view. Total membership was down 2% for this statistical year over last year.

On page 4, we have included the names of those 21 Members whose deaths were reported to us this year, even though they may have died years earlier. This is done to keep our stats records validated.
