

**Pacific Yearly Meeting  
Ministry and Oversight Committee  
Visiting Friend application**

29 December, 2014

Dear Friend,

1. With the guidance from the attached Visiting Friend Job Description, please draft a short statement including the following:
  - Why do you want to serve as a Visiting Friend?
  - What topics and approaches might you want to bring to monthly meetings? As the gatherings with a Visiting Friend also depend on the needs and desires of the monthly meeting to be visited, how would you go about working with the monthly meeting to reach agreement upon topics and practices to be used?
2. Please share any limitations that you have which would affect your ability to travel or accept hospitality in a family home.
3. Do you have work, family or meeting obligations that would limit the time or frequency of visits to monthly meetings?
4. Is your monthly meeting willing to recommend you as a Visiting Friend including releasing you from other meeting-related obligations as needed?
5. If selected as a Visiting Friend by Pacific Yearly Meeting's Ministry and Oversight Committee, when would you be able to start serving as Visiting Friend?
6. The Visiting Friend will be in regular contact with the support subcommittee throughout the year to both receive assistance in communication with monthly meetings, keeping the subcommittee informed of plans, problems, and progress, and providing information, including receipts, so the subcommittee can draft accurate reports to the PYM M&O Committee. Do you foresee any constraints in maintaining contact or providing information as requested?
7. What are your experiences in visiting other monthly meetings in the ministry?
8. Do you speak other languages (Spanish)?
