Young Adult Friends Minutes

Walker Creek Ranch Eighth Month 15th 2012

Minute YAF2012.01: The 18-35 year old community of Pacific Yearly Meeting came to unity on a name change and clarification. We hold ourselves to be Young Adult Friends in keeping with other Friends' communities. Note: This minute shall be forwarded to the PYM Faith and Practice Revision Committee for inclusion in the next edition.

Minute YAF2012.02: For the Pacific Yearly Meeting annual gathering 2013 a Young Adult Friends planning/clerking committee of four individuals of the YAF community is formed. These individuals are nominated in the general YAF business meeting. The committee is charged with creating the YAF schedule for 2013, managing the 2013 YAF scholarship process, clerking the YAF 2013 meetings for worship on the occasion of business, and performing outreach to Young Adult Friends.
