Berkeley Meeting is still undergoing renovation, so there may be inconveniences, such as not having a kitchen. However, the areas we will use are now fully accessible. Food will be provided, which will be simple and should serve the needs of most people.

If you are coming by plane, plan to fly into Oakland Airport, and take BART (Bay Area Rapid Transit) to the **North Berkeley** BART station. We will arrange to pick you up there.

If you are driving, please note: Parking is very limited near the Meeting and much of it is metered. Carpooling and public transit are strongly encouraged. The Mormon Church across the street has kindly offered the use of their parking lot on Saturday. Once that has filled up you may expect to park two to three blocks to the north or east.

For registration, please let Margaret Mossman know before 2/15/2015:
margaretmossman@att.net or (510) 235-6245.
