Naming Committee brings you the name of Bill O'Connell, from Las Vegas worship group, to fill one of the vacant terms ending in 2018 for Nominating Committee. We were unable to fill the other vacant term ending in 2018.

We're prepared to give the new Naming Committee a list of those who've been asked over the past couple of years and what their responses were.

We had hoped to help draft a Naming Committee job description with some specific suggestions and do's & don'ts but since we couldn't put that together, one place to get a sense for the work is on the

PYM website in the job description for Nominating Committee.
