Registrants can seek financial assistance by submitting the PYM Attendance Assistance Request form. See www.pacificyearlymeeting.org/financial_assistance/

TRAVELING LONG DISTANCE?

PYM attenders traveling by bus, train or car pool for distances over 200 miles are eligible for a fee discount (does not include a single driver / non-carpool situation)

Attenders from mainland U.S will be eligible when traveling over 200 miles for a discount of \$25
 Attenders from mainland U.S will be eligible when traveling over 400 miles for a discount of \$50
 Attenders from Hawaii, Mexico City, and Guatemala will be eligible for a discount of \$50

The Voluntary Carbon Tax is both an educational and a fundraising project of PYM's Unity with Nature Committee [UwN]. The money goes into the UwN Special Projects Fund which is held by PYM and administered by UwN to benefit Earthcare projects, concerns, and ministries. Currently the main conduit for this is the UwN's Mini-grants Project for Meetings of PYM. Please see www.pacificyearlymeeting.org/committee-newsletters-and-reports/unity-with-nature-committee/ for more information and application forms.

We of Unity with Nature hope that thinking about the real carbon cost of all our various modes of transportation will move us to embrace the wise choices needed towards a carbon free future.
