Preface

This document is a collection of all of the numbered Minutes of Action that were approved by Pacific Yearly Meeting from the first year of electronic publication of minutes (2001) through the present (2018). This includes action minutes from both the Representative Committee meetings (winter) and the business plenaries at Annual Sessions (summer).

Since 2001 the full (narrative) minutes from each of these gatherings have been published electronically on the PYM website, www.pacificyearlymeeting.org (or its predecessor www.quaker.org/pacific-ym). Most years, publication occurred in a “packet” (a single PDF file) which includes both the full minutes of the session and (since about 2007) all the committee reports from the session. For years that such a packet was not produced at the time (viz years 2013-2016), I recently recreated one from the separate files that were posted on the PYM website. So now we do have “minutes packets” on the website for each such gathering (RepCom meetings and Annual Sessions) since 2001. The earlier packets do not generally contain all of the committee reports, but that need not concern us here (except insofar as action minutes refer to attachments).

Usually the minutes packet would also include a page or two (or three) listing separately all of the numbered action minutes from that gathering. Extracting the action minutes in this way did indeed make for easier reference if you were looking to learn what decisions a particular gathering came to: open the minutes packet for the gathering and scroll to the summary list of action minutes. But if you wanted to look back across multiple gatherings to find decisions related to a particular topic you still had to open a separate packet for each gathering at which it might have been addressed and hope that you didn’t overlook any.

The present compilation of all years’ action minutes into a single document is intended to make such research far simpler. It also makes for very interesting browsing.

The electronic version of this document is the most convenient to navigate and search. The Table of Contents (TOC) is “clickable”, so you can jump to a particular year. As an alternative to the TOC, the PDF also has embedded bookmarks which you can access in your PDF reader (e.g. Adobe Acrobat or Apple Preview). Lastly, you can use the text search function in your PDF reader to search for keywords to help find minutes on a particular topic of interest.

The text of these action minutes is drawn whenever possible from the summary listings in the minutes packets. When a packet does not contain a summary listing, I have extracted the action minutes one by one from the body of the full minutes.

For purposes of this compilation, the action minutes have been reformatted in a single font and style of layout. The minute “numbering” scheme, however, varies somewhat from year to year and Recording Clerk to Recording Clerk. Especially the most recent years show considerable variation. For example:

PYM 2001-1
PYM 2006-01
Minute PYM AS 2013-01
MINUTE RC 2014.01
AS Minute 2015-01
Minute AS 2018-1

I was tempted to impose a uniform numbering scheme for purposes of this compilation, but ultimately decided to leave the numbering as it appears in the original packets to make it easier to refer back to the packet if one wishes to see the fuller context of an action minute within the narrative minutes.

Sometimes a Recording Clerk will word an action minute in a way that only makes sense if one understands the fuller context. In some such cases I have taken words from the surrounding narrative minutes and added them in square brackets to the action minute to supply the missing context. For example:

RepCom 2005-07: We approved increasing Item 5231 [of the Fiscal Year 2005 Budget] to \$1,000.

But I have not systematically tried to supply all missing contexts. Nor do square brackets always originate from me: some action minutes use square brackets in the original. If in doubt, refer back to the original.

In a similar vein many action minutes declare that we approve such and such document which is “attached to the minutes.” If you are lucky the minute will explicitly state an attachment number (or letter) which you can find in the appropriate minutes packet. In other cases you will have to hunt, perhaps in vain. This is especially true of budgets and Nominating Committee slates, but there are also quite a few other committee proposals recorded as approved in this way. It would be good to have a better solution for this problem.

As this compilation is a “first” for PYM as far as I know, and as there was plenty of opportunity for errors to creep in during the assembly process, I would greatly welcome any corrections, suggestions or other feedback to help make it better.

--- In service,

- George Mills, PYM Secretariat Clerk
- November 15, 2018

Pacific Yearly Meeting of the Religious society of Friends reaffirms its opposition to economic sanctions against the people of Iraq. This opposition was first expressed by the Yearly Meeting in a Minute of concern in 1998.

We ask again, with renewed energy, that the President of the United States, the United States State Department and members of the United States Congress work to drop all economic sanctions and replace them with programs to aid the Iraqi people in rebuilding the shattered infrastructure of their society. Let us see what love can do.

PYM 2001-10: Friends approved a minute opposing the death penalty as follows:

Pacific Yearly Meeting of the Religious Society of Friends reaffirms its opposition to the death penalty. The deliberate taking of a human life by the state, under any circumstances, is an absolute and irrevocable denial that there is that of god in everyone. Each life is uniquely

valuable and sacred and no one is totally beyond redemption. Capital punishment rejects the message of forgiveness. It degrades the humanity of the executioners and of the society that endorses the act.

We will work with concerned members of all religious faiths and others of like conviction to abolish the death penalty.

PYM 2001-11: Friends approved a minute on drug concerns as follows:

Pacific Yearly Meeting of the Religious society of Friends approves in principle the appended Minute on Drug Concerns of the Philadelphia Yearly Meeting.

“Friends for over 300 years have sought to live ‘in the virtue of that life and power that takes away the occasion of al war.’ today the United States government is engaged in a ‘war on drugs’ which bears all the hallmarks of war: displaced population, disrupted economics, terrorization of minorities, abandonment of hope by those the war is supposedly being fought to help, the use of military force, the curtailment of civil liberties, and the demonizing of the ‘enemies’.

Drugs continue to do terrible harm to people in the United states and throughout the world, particularly to the young. We call upon our State and Federal Governments to move from criminalization to health care solutions. We ask Friends to assist our legislators in exploring ways in which the vast sums now being used in this way can be diverted toward treatment, research, and education on the dangers of the use of illegal drugs and inappropriate use of legal drugs, such as alcohol and tobacco.

Some Friends under the weight of this concern are developing political alliances to change U.S. government policy. Others are developing ways to reach out to people in and out of the society of Friends suffering from addition and to help them call on the Holy spirit for aid in freeing themselves from this terrible burden. We urge all Friends to support those who carry this concern and pray that others will join them in finding paths that lead us toward peace, reconciliation and healing.”

We support the Peace Communities of Colombia in their efforts to find a nonviolent path, and we hold in our prayers and loving care Christopher Moore-Backman and Carin Anderson who have been led to bear witness and support the community in San Jose de Apartado. We affirm the spiritual basis for their work in San Jose de Apartado.

2. We direct the Clerk to inform the President and President-elect of Colombia, President Bush, Secretary of State Colin Powell, and the US Ambassador to Colombia, that two members of Pacific Yearly

Meeting have been called to accompany and support the Peace Community of San Jose de Apartado, and that Pacific Yearly Meeting is closely monitoring the continuing violence and forced militarization in San Jose de Apartado. We direct the Clerk to ask these officials to ensure that the road from Apartado to San Jose de Apartado is kept safe for all travelers and to support the accompaniment work of the international citizens living in San Jose de Apartado.

PYM 2002-8: Pacific Yearly Meeting of the Religious Society of Friends (Quakers) expresses support for those conscientiously opposed to war taxes, in keeping with our Society's 350 -year religious witness for peace. Our historical Peace Testimony is expressed in words of early Friends, that "We do utterly deny all outward wars and strife and fightings with outward weapons, for any end or under any pretense whatsoever."

We ask that our elected officials support and work for the Religious Freedom Peace Tax Fund (HR 1186), which would allow those conscientiously opposed to war to pay their taxes without violating conscience. We thank Rep. John Lewis for sponsoring this legislation and ask all U.S. Congressional Representatives to join in co-sponsoring the bill.

We ask our Clerk to send copies of this minute to our Congressional representatives, Monthly Meetings, and other Yearly Meetings in the United States. We urge members and attenders to consider their responses to war taxes and to work for passage of the Religious Freedom Peace Tax Fund Bill.

PYM 2003-8: Pacific Yearly Meeting recommends that Monthly and Quarterly Meetings take time to study the issue of a universal single payer healthcare system. Therefore, we accept budget line item 5259, and we ask our clerks to focus on the question of PYM relationship to PFOS and its financial and other support at Representative Committee next March and at our 2004 summer sessions. 2005 Action Minutes

2005 Representative Committee

RepCom 2005-01: Friends approved the minutes for the first portion of the session.

RepCom 2005-02: Friends approved the minutes for the second portion of the session.

RepCom 2005-03: We approved asking our Finance Committee to adopt a policy of providing full and equitable funding, in accordance with our spiritual practice, for liaisons and delegates. We ask our clerk to appoint an ad hoc committee to develop guidelines for the implementation of this policy, in light of financial, social, and ecological considerations.

RepCom 2005-04: We approved the following minute:

The Pacific Yearly Meeting Representative Committee has a deep concern over the effect of Friends United Meeting Minute 8-8GB-52. We believe it is not in keeping with Friends’ testimonies to deny marriage to same gender couples and at the same time refuse them full participation because they are unmarried.

We unite with Friends General Conference that “our experience has been that spiritual gifts are not distributed with respect to sexual orientation or gender identity.”

Desiring to labor with Friends United Meeting Friends over this concern, we feel the funds set aside as a contribution for Friends United Meeting this year may best serve our mutual relationship by supporting travel of PYM Friends to Friends United Meeting’s triennial gathering to listen and to seek dialogue on this concern.

We ask the clerk in counsel with the Ministry and Oversight Committee, to select two additional Friends to join our FUM liaison for this service, and to compose letters of introduction to accompany them.

We also extend an invitation to Retha McCutchen, General Secretary of Friends United Meeting, to attend Pacific Yearly Meeting to speak with us regarding these and other concerns we share, so we can work on them together as Friends.

RepCom 2005-05: We accepted the sessions finance report.

RepCom 2005-06: We accepted the recommendation of Site Committee that we hold the 2006 and 2007 sessions of Pacific Yearly Meeting at the University of Redlands.

RepCom 2005-07: We approved increasing Item 5231 [of the Fiscal Year 2005 Budget] to \$1,000 and Item 4105 to \$7,257.

PYM 2005-10: 1. 2. While the Friends United Meeting hiring policy remains in force, Pacific Yearly Meeting will not send a direct contribution to Friends United Meeting, but will use equivalent funds to defray travel costs of Pacific Yearly Meeting observers to Friends United Meeting gatherings.

Three-year terms, 2006-2009:

Martha Hunkins Humboldt Monthly Meeting
Trudy Friedel Inland Valley Monthly Meeting
Chuck Orr La Jolla Monthly Meeting

Two-year term, 2006-2008:

Stratton Jaquette Palo Alto Monthly Meeting,
and also approved Darcy Stanley of Strawberry Creek Meeting for the position of Clerk of the Nominating Committee for 2006-07, and Elaine Emily of Strawberry Creek Meeting for the position of Assistant Clerk for 2006-07.

PYM 2006-09: We approved attaching to the minutes reports brought to Yearly Meeting by committees, but not read in sessions.

PYM 2006-10: We stand in support of the Declaration of Peace, the central text of which is:

"I join with the majority of U.S. citizens, the people of Iraq, and people around the world in calling for a comprehensive end to the U.S. war in Iraq."

PYM 2006-11: We approved the following minute on torture and in support of Humboldt Friends and others:

Thirty years ago, the Friends World Committee for Consultation stated:

Both tortured and torturer are victims of the evil from which no human being is immune. Friends, however, believe that the life and power of God are greater than evil, and in that life and power declare their opposition to all torture. The Society calls on all its members, as well as those of all religious and other organizations, to create a force of public opinion which will oblige those responsible to dismantle everywhere the administrative apparatus which permits or encourages torture, and to observe effectively those international agreements under which its use is strictly forbidden.
(FWCC, 1976)

Pacific Yearly Meeting of the Religious Society of Friends was moved by the March, 2006 Santa Monica Monthly Meeting minute that notes that "our Quaker faith is based on the conviction that 'there is that of God in everyone.' We are therefore convinced that everyone is entitled to humane treatment and due process of law. We utterly oppose any form of torture and illegal detention, whether perpetrated by our government or by any other power or group."

We call on our elected representatives to hold the executive branch of the U.S. government accountable for any actions that violate the 1949 Geneva Conventions and their 1977 Protocols, or the 1987 United Nations Convention Against Torture, or any other treaties binding upon the United States.

Pacific Yearly Meeting, joining with Humboldt Friends, San Jose, and Palo Alto Meetings, supports the leadings of the six Humboldt Friends to travel with a concern for the condition of all who are involved in the conflict at the Guantanamo Bay Prison. Fred Adler, Andrea Armin-Hoiland, Carol Cruickshank, Margaret Kelso, Richard Ricklefs, and Karin Salzmann are called to journey to the prison to meet with and witness to both the prisoners and prison personnel. The concern for the well-being of both prisoners and military personnel at Guantanamo Bay is one shared by many Friends in our Yearly Meeting .

Further, we ask that members, Monthly Meetings, and Worship Groups familiarize themselves with the work of the Quaker Initiative to End Torture (www.quit-torture-now.org), considering both minutes of support and encouragement of participants in the next conference in June 2007 at Guilford College, North Carolina.

As people of faith, we believe that the United States must set a high moral and ethical standard in its treatment of its captives, whether foreign or domestic. As William Penn wrote: "A good end cannot sanctify evil means; nor must we ever do evil, that good might come of it."

PYM 2006-12: We approved the Nominating Committee report.

PYM 2006-13: We gratefully accepted all of the epistles.

Minute from JYM: We strongly support the valuable work that Quaker Camps at Ben Lomond performs in developing leadership among Quaker young people in the Quarter and the Yearly Meeting. We would be in accord with PYM offering financial support to Quaker Camps.

2007 Action Minutes

2007 Representative Committee

RepCom 2007-01: The recommendation of the site committee was accepted.

RepCom 2007-02: Representative Committee approved these nominations, which were brought to us in Session 1 by the Nominating Committee:

Joe Morris (Santa Monica), Clerk of Unity with Nature, term ending 2009,
Carl Magruder (Grass Valley), to Ministry and Oversight, term ending 2007,
Mark Koenig, (Visalia) to Children's Program Committee, term ending 2009,
Burton Housman (La Jolla), to Discipline Committee, term ending 2007,
Ann Bleile-Kratzer (Fresno), co-Clerk of JYM Committee, term ending 2009,
Madeline Schleimer (Orange Grove), to Unity with Nature Committee, term ending 2009,
Klara East (Visalia) to Unity with Nature Committee, term ending 2009.

Note: It is our policy to nominate clerks for only one year; therefore both Joe Morris' term as clerk of Unity with Nature and Ann Bleile-Kratzer's term as co-clerk of JYM will end in 2007, but they will remain members of those committees until 2009.

RepCom 2007-03: Representative Committee approved these budget augmentations:

- (1) for Unity with Nature to cover travel (\$515). Approved.
- (2) for three representatives travel to the FWCC Triennial in Ireland (\$1,000). Approved.
- (3) for two delegates to attend an FGC outreach meeting in Pittsburgh (\$800).

Questions were raised about a recommendation to use the Clerk's discretionary fund for ongoing [vs. one-time] expenses, specifically in regard to this item. How do we create flexibility for expenses which aren't anticipated in the budget? Could the Finance Committee add a line for unanticipated expenses that come before Rep. Com? ([The clerk agreed to use his discretionary funds for this purpose, rather than to ask for an augmentation.) Representative Committee approved sending these two Friends as our representatives.

- (4) for Quaker Center for scholarships at this summer's Youth Camp (\$2,000); questions were raised regarding the Quaker Center request for \$2,000: How can PYM be more mindful of youth work and financially supportive of youth programs? Quaker Youth camp is a major investment in our youth and in the future of Quakerism. In the context of this specific

request from Quaker Center, along with the Year of Discernment, M&O is working to season this concern. Representative Committee approved allocating \$2,000 (from uncommitted reserves) for the benefit of Ben Lomond Quaker Center's 2007 Summer Youth Camp. The clerk and the finance committee will determine where it should appear in the budget.

(5) to the Discipline Committee for an Advices & Queries pamphlet (\$600). Approved

(6) to Junior YM for travel and phone calls (\$250). Approved

(7) To FCNL for travel (\$500);

Questions arose about spending travel funds for someone who was not an official PYM representative to FCNL. In this instance, approval had been given to support the friend when there was not sufficient money to do so. Not approved.

RepCom 2007-04: The finance committee asked: What should our financial responsibility be with regard to paying for attendants for persons with special needs? They propose paying for attendants, and using line item 6230 currently designated for "support professions." Approved.

RepCom 2007-05: The finance committee considered the policy question of paying travel expenses for committee co-clerks to attend Representative Committee. They recommend no change in the current policy of providing payment for only one clerk per PYM committee, with an exception allowing payment for two JYM youth co-clerks. Approved.

RepCom 2007-06: Budget for PYM session in August 2007 The basic fee will be \$72 per adult per day for lodging (in a double room), board and fees, and approximately half that for children ages 5 – 11. The cut-off date for the 5% early registration discount will be earlier than in previous years. The Finance Committee must guess how many people will attend the session and for how long, as well as how many people will need scholarships. Therefore, the actual cost cannot be predicted in advance. Most of the changes from the 2006 session budget are relatively minor. The (attached) registrars' recommended fee schedule was approved. The session budget was also approved.

RepCom 2007-07: Representative Committee approved the appointment of Marilee Eusebio (Davis Meeting) as Arrangements Clerk for 2007 and 2008.

2007 Annual Session

PYM 2007-1: Pacific Yearly Meeting approved these Friends as members of the 2007 Epistle Committee: Convenor Robin DuRant (Orange Grove), Kylin Navarro (Santa Cruz), and Ed Flowers (Apple Seed).

PYM 2007-3: Pacific Yearly Meeting approved the following minute, which was proposed by the Children's Program Committee and forwarded with approval by the Finance Committee:
The Children's Program Committee requests that a position for a paid program director be reestablished at a cost of \$660 per year. The Finance Committee has been consulted and supports this proposal, and asks that it be approved by Yearly Meeting. The session budget for Children's Program, #6223, would be increased by \$660 for FY 2008.

PYM 2007-4: Pacific Yearly Meeting approved the following minute, which was proposed by the Finance Committee: *Pacific Yearly Meeting authorizes the Treasurer to invest funds in the Friends Fiduciary Corporation.*

PYM 2007-5: Pacific Yearly Meeting approved a budget augmentation of \$600 for DJ Bloom's travel to the 50th Anniversary celebration of the Casa de los Amigos.

PYM 2007-6: Pacific Yearly Meeting approved a budget augmentation of \$600 for the Nominating Committee, bringing that Committee's budget to \$2,100.

PYM 2007-7: Pacific Yearly Meeting approved the Finance Committee's request to increase the 2008 budget for delegates' travel to the FWCC Section of the Americas meeting by \$700 to a total of \$2,500.

PYM 2007-8: Pacific Yearly Meeting approved the Finance Committee's request to increase the Peace and Social Order Committee's budget from \$500 to \$1,000.

PYM 2007-9: Pacific Yearly Meeting approved the annual assessment of \$32.00/member for fiscal year 2008.

PYM 2007-10: Pacific Yearly Meeting approved the 2008 budget as presented by the Finance Committee, with the increases and augmentations approved in this session.

PYM 2007-11: Pacific Yearly Meeting accepted the Treasurer's report.

PYM 2007-12: Pacific Yearly Meeting approved the policy for use of the PYM website proposed by the electronic subcommittee. [See **Attachment 8**]

PYM 2007-13: Pacific Yearly Meeting approved this minute, proposed by our representative to Friends General Conference, with the understanding that the Presiding Clerk will send our invitation to the appropriate FGC clerks and staff:
Pacific Yearly Meeting invites Friends General Conference and its committees and programs to consider holding events [such as gatherings, institutes, consultations, conferences, committee meetings, etc.] in the geographic region of Pacific Yearly Meeting.

PYM 2007-14: For the Naming Committee, Jim Anderson presented for the second time the names of Friends who were recommended to serve on the Nominating Committee, each for a specific term. These recommendations were approved:
DJ Bloom (Apple Seed) Pat Daggerty (Orange Grove), and Jo Tyler (Orange County) for three-year terms; Heather Levien (Berkeley Meeting) for a two year term ending in 2009, and Kitty Bergel (Orange County) and Tom Farley (Palo Alto) for one-year terms ending in 2008; Stratton Jaquette as Clerk for a one year term ending in 2008.

PYM 2007-15: Pacific Yearly Meeting approved the slate of nominees in the final report of the Nominating Committee.

PYM 2007-16: Pacific Yearly Meeting approved the following minute, which was proposed by the Nominating Committee:

Nominating believes that Julie Harlow is a Friend with a leading and should appropriately be under the care of M&O. We further believe that East-West Relations Committee is laboring under a leading in tandem with Julie's work, and therefore their care also belongs under M&O. However, it is premature to lay down this committee and appointment, until the structure for ongoing care is clarified.

It is clear to us, that as Nomination Committee, it is not in our charge how to structure the care for these Friends and their common concern. We ask M&O to review and return to Repcomm with recommendations on structure and care, so that all the valuable work that is currently done by these Friends continues to be adequately supported in good Quaker order.

As there are 3 line items in our budget with regard to Friends House Moscow and East-West Relations and a bank account in the name of East-West Relations Committee, we further request Finance Committee consider appropriate mechanisms and structures for financial support of these Friends' work and also report back to us at Repcomm.

PYM 2007-17: Pacific Yearly Meeting approved the following minute, which was proposed by the Nominating Committee:

Nominating Committee requests that Pacific Yearly Meeting approve the laying down of Wider Fellowship Among Friends Committee. This committee has not been functional or effective in recent years and no longer serves a vital purpose to PYM.

PYM appoints 5 representatives to AFSC; these representatives will select 1 or 2 of their number to go to the National meetings each year, as funding allows. The representatives to the National meeting are expected to represent PYM's interests and to report to PYM on their experience and understanding of AFSC. They are expected to be active in their local Region throughout the year and to communicate to PYM as appropriate. Nominating Committee is responsible for nominating a Convener of the AFSC Representatives to facilitate their work and nominating representatives who live close enough to the two Regional offices (plus Honolulu) to ensure that at least one representative can be engaged in each region during the year. Pacific Yearly Meeting of the Religious Society of Friends (Quakers) supports marriage equality as a basic human right for all adult couples whether same or opposite gender. This is based on our historic testimonies on equality, community and integrity. We, therefore, oppose any and all efforts to undermine marriage equality in California, specifically the so-called California Marriage Protection Act (Proposition 8).

To quote from Pacific Yearly Meeting's Faith and Practice: "It is consistent with Quakers' historical faith and testimonies that Friends practice a single standard of treatment for all couples who wish to marry."

We wish to affirm love, commitment, sharing and stability in a world that is too often torn apart by war, hatred, exploitation, and greed.

PYM 2011-8: As Friends, we stand firmly opposed to torture committed by anyone in any setting. We support the work of the National Religious Campaign Against Torture (<http://www.nrcat.org/>) as well as of Quakers' Initiative to End Torture (<http://www.quit-torture-now.org/>). We urge elected officials to bring to justice those who have authorized torture in violation of international law. We urge our governments to stop preventing the victims of torture from seeking redress and just compensation in our courts. We are also deeply concerned that cruel and inhumane punishment such as involuntary long-term solitary confinement are taking place in prisons in California and throughout the USA and the world. Finally, we support the Optional Protocol to the Convention Against Torture (OPCAT), which can help prevent torture and abuse by requiring a ratifying country to establish National Preventative Mechanisms (NPMs) to monitor the treatment of prisoners. In addition to the NPMs, OPCAT allows for international oversight of places of confinement to ensure that torture and other abuses are not occurring.

As Quakers, we believe that torture is a moral and religious issue. We believe that there is "that of God" in every human being and therefore everyone deserves to be treated with respect and dignity. Torture does incalculable and long-lasting damage to the torturer, the torture victim and the witnesses of torture. Torture erodes a nation's moral fiber, diminishes its moral standing in the world, incites retaliation, and puts at risk the lives of its citizens abroad and at home.

We urge an end to this practice."

At the same time, concerns about cost of affiliation were raised. We ask our Ministry and Oversight Committee to direct our monthly meetings to consider whether PYM should affiliate with FGC, and to ask themselves what their Meeting would be led to contribute should Pacific Yearly Meeting approve such affiliation. It is understood that responses from each monthly meeting will reflect its financial resources. Over the next year we ask monthly meetings and worship groups to consider the financial information available

about affiliating with FGC regarding number of delegates and levels of additional contribution per member.
