

Sacramento Friends Meeting Undocumented Scholarship Fund Update Report to Annual Session 2019

SUMMARY

Over \$8,000 was raised this past year for the upcoming academic year for students At Sacramento State University. Five students graduated with our support this past year. Since the scholarship is renewable, we are carrying one more into the next school year.

We had 11 applicants for the Fall and will be awarding 7 scholarships in the Fall.

We are deeply grateful to everyone who donates to help us continue this important work.

Many of the past recipients (28 in total thus far) were DACA holders. However, there will be a new wave of students who are going to be unable to hold jobs due to lack of DACA status, or legal protection. The students stories are difficult to read, and we know their need is great. Thank you again to all who support our efforts.

Anyone interested in donating should write a check to Sacramento Friends Meeting with "Undocumented Scholarship " on the memo line & send it to SFM Treasurer PO Box 163677, Sacramento, CA. 95816. or you can donate online <http://quakerundocumentedstudentscholarship.org/donate.html>
