### "Respectful Relationships" Sexuality Education Parental Consent Form

JYM, like the Our Whole Lives (OWL) curriculum, affirms that parents/guardians are the primary sexuality educators of their children.

Therefore, your signature is requested on this consent form to opt in or out of this session.

I have read the Document "What to expect for parents and sponsors of teens" found at [pacificyearlymeeting.org/youth/jym/](http://pacificyearlymeeting.org/youth/jym/) and understand I may contact the JYM Adult Committee with any questions.

I **[DO]** or **[DON'T]** (**circle one**) give permission for my child, \_\_\_\_\_ (name), to participate in the JYM Respectful Relationships sexuality education sessions.

### Background:

While optional, Respectful Relationships has received some of the highest ratings from JYM participants on their evaluations, and we hope parents/guardians will support their child's participation. A subcommittee of PYM's Ministry & Oversight Committee supports JYM in this work. We incorporate some materials from the *Our Whole Lives, Sexuality and Our Faith (OWL)* curriculum that was created by the Unitarian Universalist Association and the United Church of Christ.

OWL's assumptions and values of "self-worth, sexual health, responsibility, and justice and inclusivity" align well with PYM Friends' beliefs. Sexuality is defined in OWL as "a good part of the human experience" and "much more than sexual behavior."

### Goals of OWL and JYM Respectful Relationships:

## **Pacific Yearly Meeting of the Religious Society of Friends**

- To provide accurate information that young people need about sexuality. We believe that accurate information is essential, especially for young adults, and that holding back knowledge will hinder healthy sexual development.
- To provide a forum in which all questions are legitimate and appropriate.
- To provide learning about sexuality issues that goes beyond just factual information and that will be useful throughout participants' lives.
- To help participants to develop the skills necessary to make good decisions that will allow for a healthy, satisfying life.

Please note that JYM's Respectful Relationships is not a full OWL program, nor will it adhere only to OWL materials. If you are interested in the more in-depth OWL version, we encourage you to see if OWL is offered in your community, perhaps in a local UU or UCC church. More information about OWL can be found at:
