

Pacific Yearly Meeting  
**Arrangements Committee**  
Report to Representative Committee (RepCom) 2024

Your Arrangements Committee is joyfully looking forward to supporting the gathering of our community, both in person and online, at our annual session at Whittier College this year. We welcome the opportunity to find new ways in a new place for the many activities we look forward to as we gather.

Our committee will be gathering for a site visit to Whittier College during their March spring break in order to become familiar with the campus and begin our planning and preparation to make this a wonderful experience for all.

Our committee is small, but we bring a lot of both energy and love to our work. We have opportunities for new committee members and for annual session volunteers. If you are a person who fits any of the following, you may be surprised by how you could join us and love it:

Likes the idea of being on a committee where members and volunteers are encouraged and expected to do what they find joy in doing,

Likes meeting new people and getting to know them,

Enjoys driving the golf cart with a smile on your face as you take people where they need to go,

Likes solving small problems as they arise with a feeling of accomplishment,

Has a love of and expertise with technology which you would like to share.

Would like to explore the world of the Daily Miracle

We would also love to get ideas from the community about things which might help improve or enhance our gathering (whether you are planning on attending in person or online). Please share any thoughts you might have about:

Ridesharing/carpooling or other means of transportation to Whittier or ideas if coming by public transportation with pickup needed

Ways in which the online experience could be improved

Any other thoughts you might have which would be helpful for us to know.

Committee Members:

Bronwen Hillman (Mexico) and  
Sue Torrey (Central Coast), Co-clerks  
Wendy Lynn (Honolulu)  
Judi Oehman (Santa Monica)
